*Peary, <i>Mrs.</i> ; My Arctic Journal.....	919.8	<i>Pe 3</i>
*Schwatka, F.; Children of the Cold.....	919.8	<i>Sc 4</i>

NOTE: The attention of teachers is called to the articles relating to countries, etc., which are constantly coming out in the magazines. As these are usually illustrated and popularly written, they often form the best sources of information for geography work. These articles are made available by "Poole's Index of Periodical Literature," and its Supplements which are always to be found in the Reading Room.
